

A woman with long brown hair in a ponytail is climbing a rock wall. She is wearing a dark green sports bra and maroon leggings. She is reaching up with her right arm to grab a hold. The wall is light-colored with various colored holds (red, blue, white, green).

Integration ZingFit <> USC

URBAN SPORTS CLUB

Before you begin ...

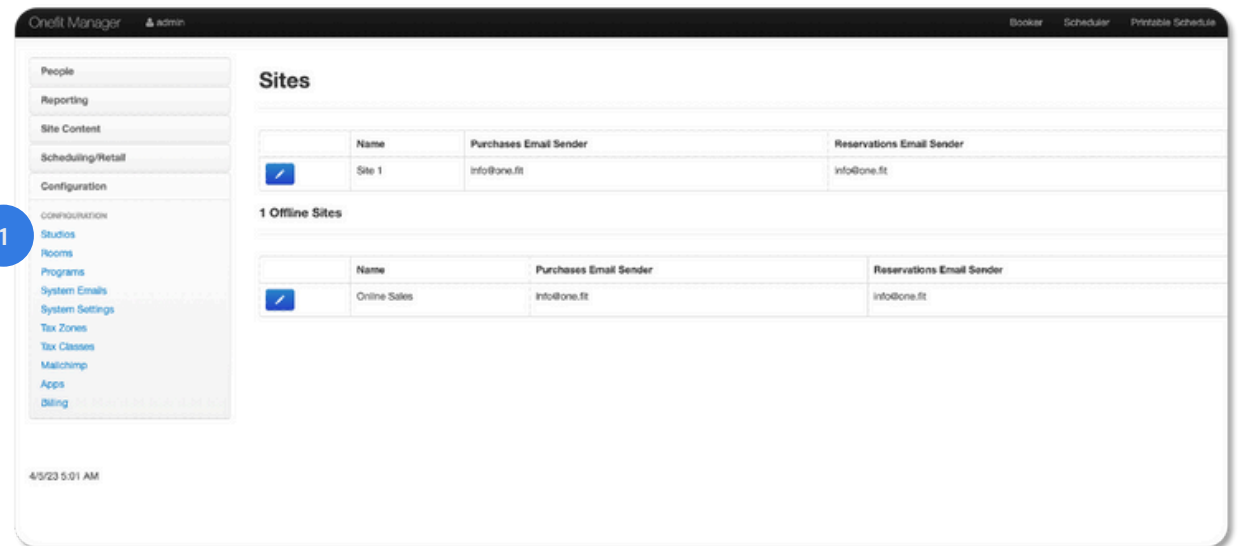

Let's make it a great integration!

Here's what you need to know before we set up the integration:

1

Go into your ZingFit account to
ADMIN > CONFIGURATION > STUDIOS:

For every ZingFit account (Site), we will need to have (or create) a separate Urban Sports Club partner profile.

Before you begin ...

Let's make it a great integration!

Before you can get started with the integration, it is essential that you adjust the following settings:

2

Then go to
ADMIN > CONFIGURATION > SYSTEM SETTINGS > BOOKING:

The following settings should be set as follows:

Reservation Window: Rolling – opens at 12:00 PM for 2 weeks
Reservable Days: 14

5

Click on **Save changes**. The Urban Sports Club series should appear under the Offline series on the main page.

The image displays a series of screenshots from the Onefit Manager web application, illustrating the steps to set up a new series. The interface is divided into a left sidebar with navigation menus and a main content area for the 'Series' configuration.

Step 1: The 'Series' configuration page is shown. The left sidebar has a 'Scheduling/Retail' menu item highlighted. The main area shows the 'Series' form with fields for 'Series Type' (set to 'Aggregators'), 'Name' (set to 'Urban Sports Club'), 'Price' (set to 'USD 0.00'), 'Tax Class' (set to '0% BTW'), 'Is Unlimited' (set to 'No'), 'Class Count' (set to '1'), 'Expires In' (set to '15 days'), and 'Grace Period Days'.

Step 2: The 'Display Options' section is shown. It includes a 'Description' field, a 'Sort Priority' dropdown (set to '1'), and a 'Feature On Web' section with radio buttons for 'Yes' and 'No' (set to 'No'). A red box highlights the 'Hide In Register' section, which has radio buttons for 'Yes' and 'No' (set to 'Yes').

Step 3: The 'Booking Options' section is shown. It includes fields for 'Customer Per Class Limit', 'Classes Per Week Limit', 'Classes Per Day Limit', and 'Series Per Class Limit'. There are also radio buttons for 'For Extended Booking' (set to 'No') and 'For Advanced Booking' (set to 'No'). A red box highlights the 'Extended Cancellation' section, which has radio buttons for 'Yes' and 'No' (set to 'Yes').

Step 4: The 'Email Options' section is shown. It includes a field for 'purchase email, custom expiring email...'. At the bottom of the form, there are three buttons: 'Save changes', 'Save & Stay', and 'Cancel'.

Step 5: The 'Save changes' button is highlighted with a red box, indicating the final step to save the configuration.
